For more than 20 years, Kingpin Needles have been built by hand using textured 316L surgical stainless steel pins that offer lasting skin penetration with superior ink retention. All Kingpin Needles are crafted using a lab certified lead free silver bearing solder for maximum safety.

"The Bold Traditional Liners have become my daily groupings. From 7-11, they each do exactly what I expect every time."

DEREK SAYEG
@dereksayegtattoer

“I’ve been using Kingpin Needles for around 7 years. I love the smooth, consistent arch to their curved mags. Lately I’ve been loving their Bold Traditional 11 Liners. Great stuff outta them.”

TY MCEWEN
@tymcewen

“I’ve been using Kingpin for a few years now and I’ve never been disappointed. Their liner needles are dreamy. I’m a fan of big solid lines.”

B. CXP19 WIRELESS PEDAL
- Dedicated wireless footpedal for complete safety and convenience
- Designed exclusively for the Critical XRR
(CXP-19) $89.99

C. CRITICAL ATOM X POWER SUPPLY
- Compatible with all machines
- Jump Start enabled
- .1 volt adjustment resolution
- 2 Voltage presets
- Momentary or Maintained Foot Switch Modes
- Non-volatile memory holds presets even when unplugged
- Available in Silver and Black
(ATO-X) $225.99

D. CRITICAL ATOM POWER SUPPLY
- Compatible with all coil and rotary machines
- Jump start enabled
- Simple controls
- Color indicates voltage
- 2 year manufacturer warranty
(ATO-M) $189.99
Available in: Black and Silver

E. CRITICAL CX2-G2 POWER SUPPLY
- 4 amp true continuous current
- 6 amp peak
- Jump start enabled
- Voltage presets
- Session machine run time meter
- Total machine run time meter
- Pedal override switch
(CX2-G2) $279.99

F. CRITICAL CX1-G2 POWER SUPPLY
- 4 amp true continuous current
- 6 amp peak
- Jump start enabled
- Pedal override switch
- Momentary or Maintained foot switch modes
(CX1-G2) $179.99

G. CRITICAL XR-D POWER SUPPLY
- Full color TFT display
- Selectable color themes
- Capacitive touch user interface
- Billet aluminum CNC machined housing
- New mount design to adapt to any work station
- Built with the highest quality components
- Single and Dual Channel Models
- Three Voltage Presets Per Channel
- Dual output on the XR-D Model
(CXR-D) $379.99

CRITICAL XR POWER SUPPLY
- Full color TFT display
- Selectable color themes
- Capacitive touch user interface
- Billet aluminum CNC machined housing
- New mount design to adapt to any work station

- Three Voltage Presets Per Channel
- Magnet Mount
- Single output on the XR Model
(CXR) $329.99
EAGLE VIEW DC POWER SUPPLIES

A. LINEAR POWER SUPPLY
- Vintage design with modern power
- Finished walnut enclosure
- Aluminum chassis
- 4mm laser engraved acrylic cover
- Classic voltmeter with glass faceted jewel indicator lamp
- Hand built
- Single copper-wound transformer
- 10-turn Bourns wire-wound potentiometer for precise voltage adjustment
- 30,000 microfarads of DC filtering output
- Extremely resistant to power surges
- Optimized for coil and rotary machines
- Designed for use in North America
- Single copper-wound transformer
- 10-turn Bourns wire-wound potentiometer for precise voltage adjustment
- 30,000 microfarads of DC filtering output
- Extremely resistant to power surges
- Optimized for coil and rotary machines
- Designed for use in North America
- 9ft power cord
- Made in the USA
(EVG-PS) $650

B. THE GOLD POWER SUPPLY
- Designed collaboratively with Isaiah Toothtaker
- Pure DC power
- Polished 260 Brass casing retains a gold-like finish
- Optimized for both coil and rotary machines
- 1 year manufacturer’s warranty
(EVG-PS) $500

C. THE BANDIT
- Ultra pure DC power
- Zero voltage drift
- Voltage range 2.8 -13VDC
- 2 Memory Settings
- Pedal lock feature
- 110-240VAC 50-60Hz
